

Okanogan Valley Farmers Market Insurance Requirements

This year, 2020, Okanogan Valley Farmers Market's insurance is requiring all vendors to provide **proof of liability insurance with an endorsement additionally insuring the market at \$1,000,000**. After researching this topic fully, the market has found no way around this new requirement. Therefore, if a vendor does not provide a copy of their insurance with the market additionally insured, they will not be allowed to set up at the market.

Below are resources the board gathered to assist vendors in obtaining insurance.

1. If you have homeowner's insurance, you can obtain a commercial rider for home base business. This is likely the cheapest option for you. Talk to your agent to determine the process.
2. If you do not have homeowner's insurance, we found three possible options for you to consider:
 - a. Theeventhelper.com: 855-493-8368
 - i. Pick number of days you want insurance, then the specific dates
 - ii. Looks like it starts around \$100
 - iii. A great option for part-time vendors who do not anticipate participating frequently at markets, bazaars, fairs, etc or for full-time vendors who know exact dates they will be selling
 - b. Campbells Insurance Agency: 712-328-3975
 - i. Annual policy: starting at \$275
 - c. ACT Insurance: 844-520-6991
 - i. Provides annual policies and show policies
 - ii. Annual policy: starting at \$265
 - iii. Show policy: starting at \$49

Okanogan Valley Farmers Market appreciates your patience and understanding as we make this new transition together. If you have questions about this process, please call us at 509-826-0457.
